Map LAB#3 - June 2005 10 & 19 & 32 & 44 Mile Routes

A reprise of last year's fantastic Cox Charities Cycling Classic Race Day ride. We are providing a series of scenic rides through Providence's East Side into Seekonk, Rehoboth, and Attleboro in nearby Massachusetts, featuring the beautiful new 10 Mile River Greenway.

We have a special dispensation from RIPTA this year to use the Bus Tunnel through the East Side and eliminate one of Providence's nastier hills, Waterman St.

Please be on time for the start - or else you get to climb Waterman Street...

1:00 to 5:00 pm Race Day and Expo, Providence

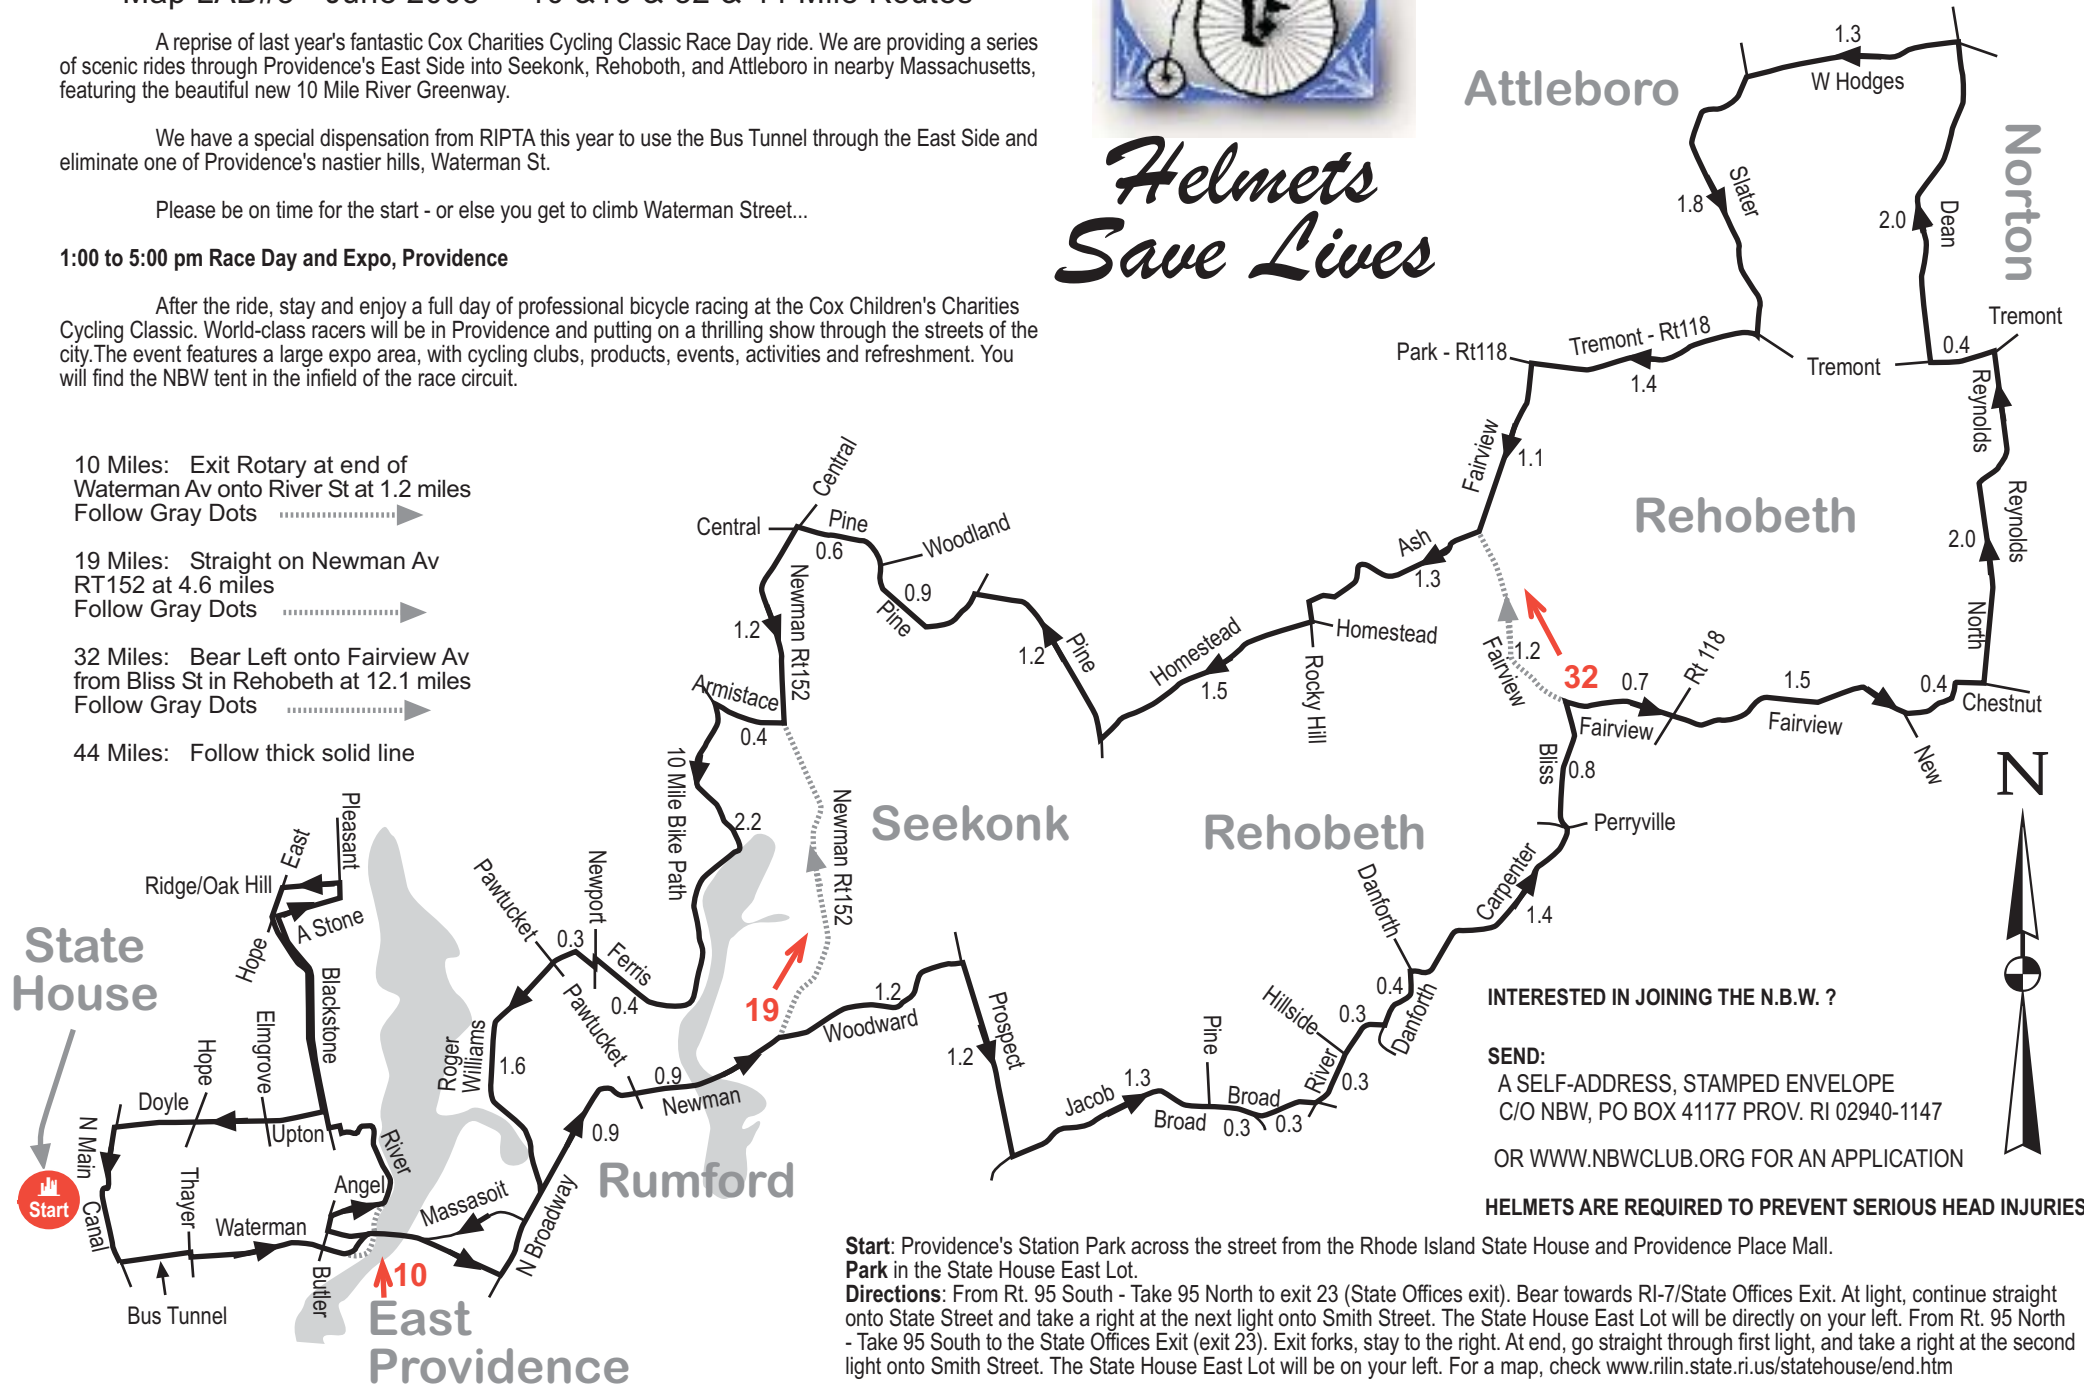

After the ride, stay and enjoy a full day of professional bicycle racing at the Cox Children's Charities Cycling Classic. World-class racers will be in Providence and putting on a thrilling show through the streets of the city. The event features a large expo area, with cycling clubs, products, events, activities and refreshment. You will find the NBW tent in the infield of the race circuit.
