Scenic Notes: Tour Chariho, the Southwest corner of RI abounding with winding rural roads. Note dam and millpond in Woodville. Charlestown features Burlingame State Park, a nice stop, and Ninigret Park, a former Naval Air Station off the ride which hosts cycling time trials. A ridge climb and rapid descent lead to Wood River Junction. Some routes loop down along Quonochontaug Neck and ocean barrier beaches or around Carolina before returning. A newly developed "hilly" extension takes in dairy farms and mill towns south of Clarks Falls straddling the Pawcatuck River.
