I-195 (Exit 19A) Mattapoisett 15 miles - southernmost loop only 30 miles - southernmost & middle loops SCENIC NOTES DLEBORO F000 This route was designed by Bill & Sandy McIlmail. It is a very flat ride through the cranberry growing region of southeastern Mass. The cranberry bogs have a reddish hue during the October and November harvest season and are sometimes flooded if they are to be harvested by the wet method. Mattapoisett is a picturesque town with a lovely waterfront. Rochester is a stately New England town with its church and green. Carver is the home of the popular King Richard's Medieval Faire in which the Middle Ages are reenacted and is held during September and October. **FOOD STOPS** Country store in Rochester Dunkin Donuts on Rt. 28 MAIN **FEARING** General Store and deli in South Carver.
