SCENIC NOTES:
 Along the southwest shores of RI are many old estates (Taylor who?), resorts, cove-line estuaries, and Misquamicut Beach. All rides start with a ramble down Boombridge Rd and over the Pawcatuck River and then to downtown Westerly.

The short ride misses Watch Hill and Misquamicut Beach, while the two longer rides travel through them. The longer ride has a beautiful climb along Chase Hill Rd, which the two shorter rides miss with a quick bypass on Ashawat Rd (Rt 216)
