JOHNSTON WINTER RIDE
Johnston-Scituate
15 - 30 miles

15 miles: Right onto Rt.116 from Rt. 14
30 miles: Follow solid line (around Scituate Reservoir)

SCENIC NOTES:

An interesting winter ride to see if you still have your climbing legs, near RI's largest man-made mountain and around Scituate Reservoir. Pine Hill is an early challenge for all riders. In winter be aware of icy roads near the reservoir.
