

NARRAGANSETT BAY WHEELMEN #144

REV. 2/09

SWANSEA – SOMERSET

“The Taunton River Winter Ride”

16 & 21 mile rides

START: McDonald's, Rt. 6 Swansea, Ma.

16 miles: left at intersection of Pleasant & North

21 miles: continue straight on Pleasant at North

SCENIC NOTES

This is a very flat yet meandering ride. You will ride alongside the Taunton River for several miles, then head back through the farmlands. There is a modest grade on Rt. 103 after the 195 overpass. Use caution on Rt. 103; the intersection of Routes 6 & 138 is extremely busy. The short ride could be cut to 11 miles by going left at Stevens for 3 miles then connecting at Riverside & joining the 16 mile ride.
