RICHMOND - SHANNOCK - EXETER

**START:** *VICTORY CYCLES*, Rt. 138, Hope Valley, R.I.

20 miles: left at Nooseneck & Rt. 138, then left onto Hillside.

27 miles: (the challenge!) left onto Shannock Hill, then left onto Beaver River.

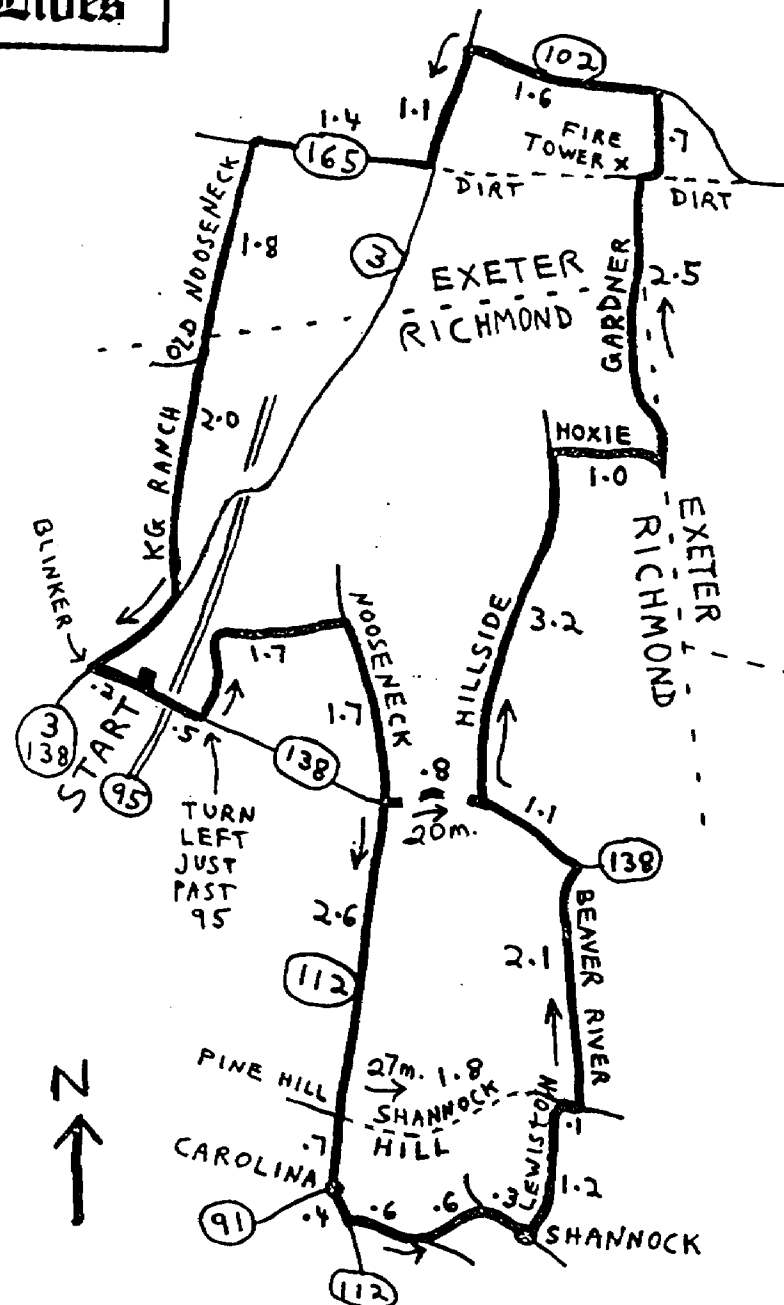

30 miles: follow heavy map outline

### SCENIC NOTES

This is a rolling to hilly ride through beautiful rural areas of R.I., along winding back roads. The final run is the best downhill in R.I. along Rt. 3. Shannock is a picturesque old milltown with some quaint old homes and the remains of its once proud railroad station of the late 1800's and early 20th century. There are two firetowers to investigate. One is on the crest of Shannock Hill (for the true hardcore riders). The other about 500 ft. to the left along a dirt road after Gardner Rd.

### FOOD STOPS

Grocery store in Shannock and at end of ride.
