A new spring ride designed by Ted and Larry Shwartz. From a new start location, look forward to easy riding around some of the finest New England coastal villages, beaches and farmland. From Dartmouth the long route heads west to Westport and into RI, then south to trace the coastline (Westport harbor, Adamsville, Horseneck Beach and East Beach) before turning north again to the old village of Russells Mills (settled 1600's), where you'll find our traditional stop at Davoll's Store before heading back to Dartmouth.
