*Nursing Home Administrator, cyclist, pool shark, and BFF of the Bikebus Crew*

Cyclists who are unable to complete the ride can still enter and will receive SAG\* support when and where required. The event will remain open to non cyclists who are encouraged to attend the dinner. As is always the case, the loss of a friend changes over time, from grief to a celebration of life. We will have a good time and Carl will like that (note tense). The total amount raised will go towards Carl's Scholarship Fund to be used to respond to community needs.

\*The Bikebus, of course!
