Rochester Winter Ride

16 & 29 Mile Rides

This ride was developed by club member **Tim Scholz** for a winter ride, when we are all looking to get out the house and enjoy an easy ride. Riders will travel past ponds and cranberry bogs and lots of rock walls, while using some roads from the old Lakeville ride, but in the opposite direction. Despite its name, this ride is lovely anytime of the year.

16 Pine St
Rochester, MA

Splits:
