NBW 189 - New Years Day Ride 2024

Dartmouth, Tiverton & Westport
17 & 27 Mile Rides

Breaking with the long tradition of having a club member host this ride, we are trying something new this year.

This ride starts at the Dartmouth Mall and follows routes created by member Mike Miller and travels over some familiar and not so familiar roads in Dartmouth, Westport and Tiverton.

Post ride refreshments will be available at the Panera Bread located in the Dartmouth Mall. Please park near the store as we will be considered "customers" there! Both loops cross Rte 6 at traffic lights, so caution here is advised. Otherwise, expect to ride on pleasant roads in this favorite riding area.
