

NARRAGANSETT BAY WHEELMEN #21 Rev 4/06

Great Pizza Ride

10 - 25 - 40 miles

Start: Coventry Center, off Route 117

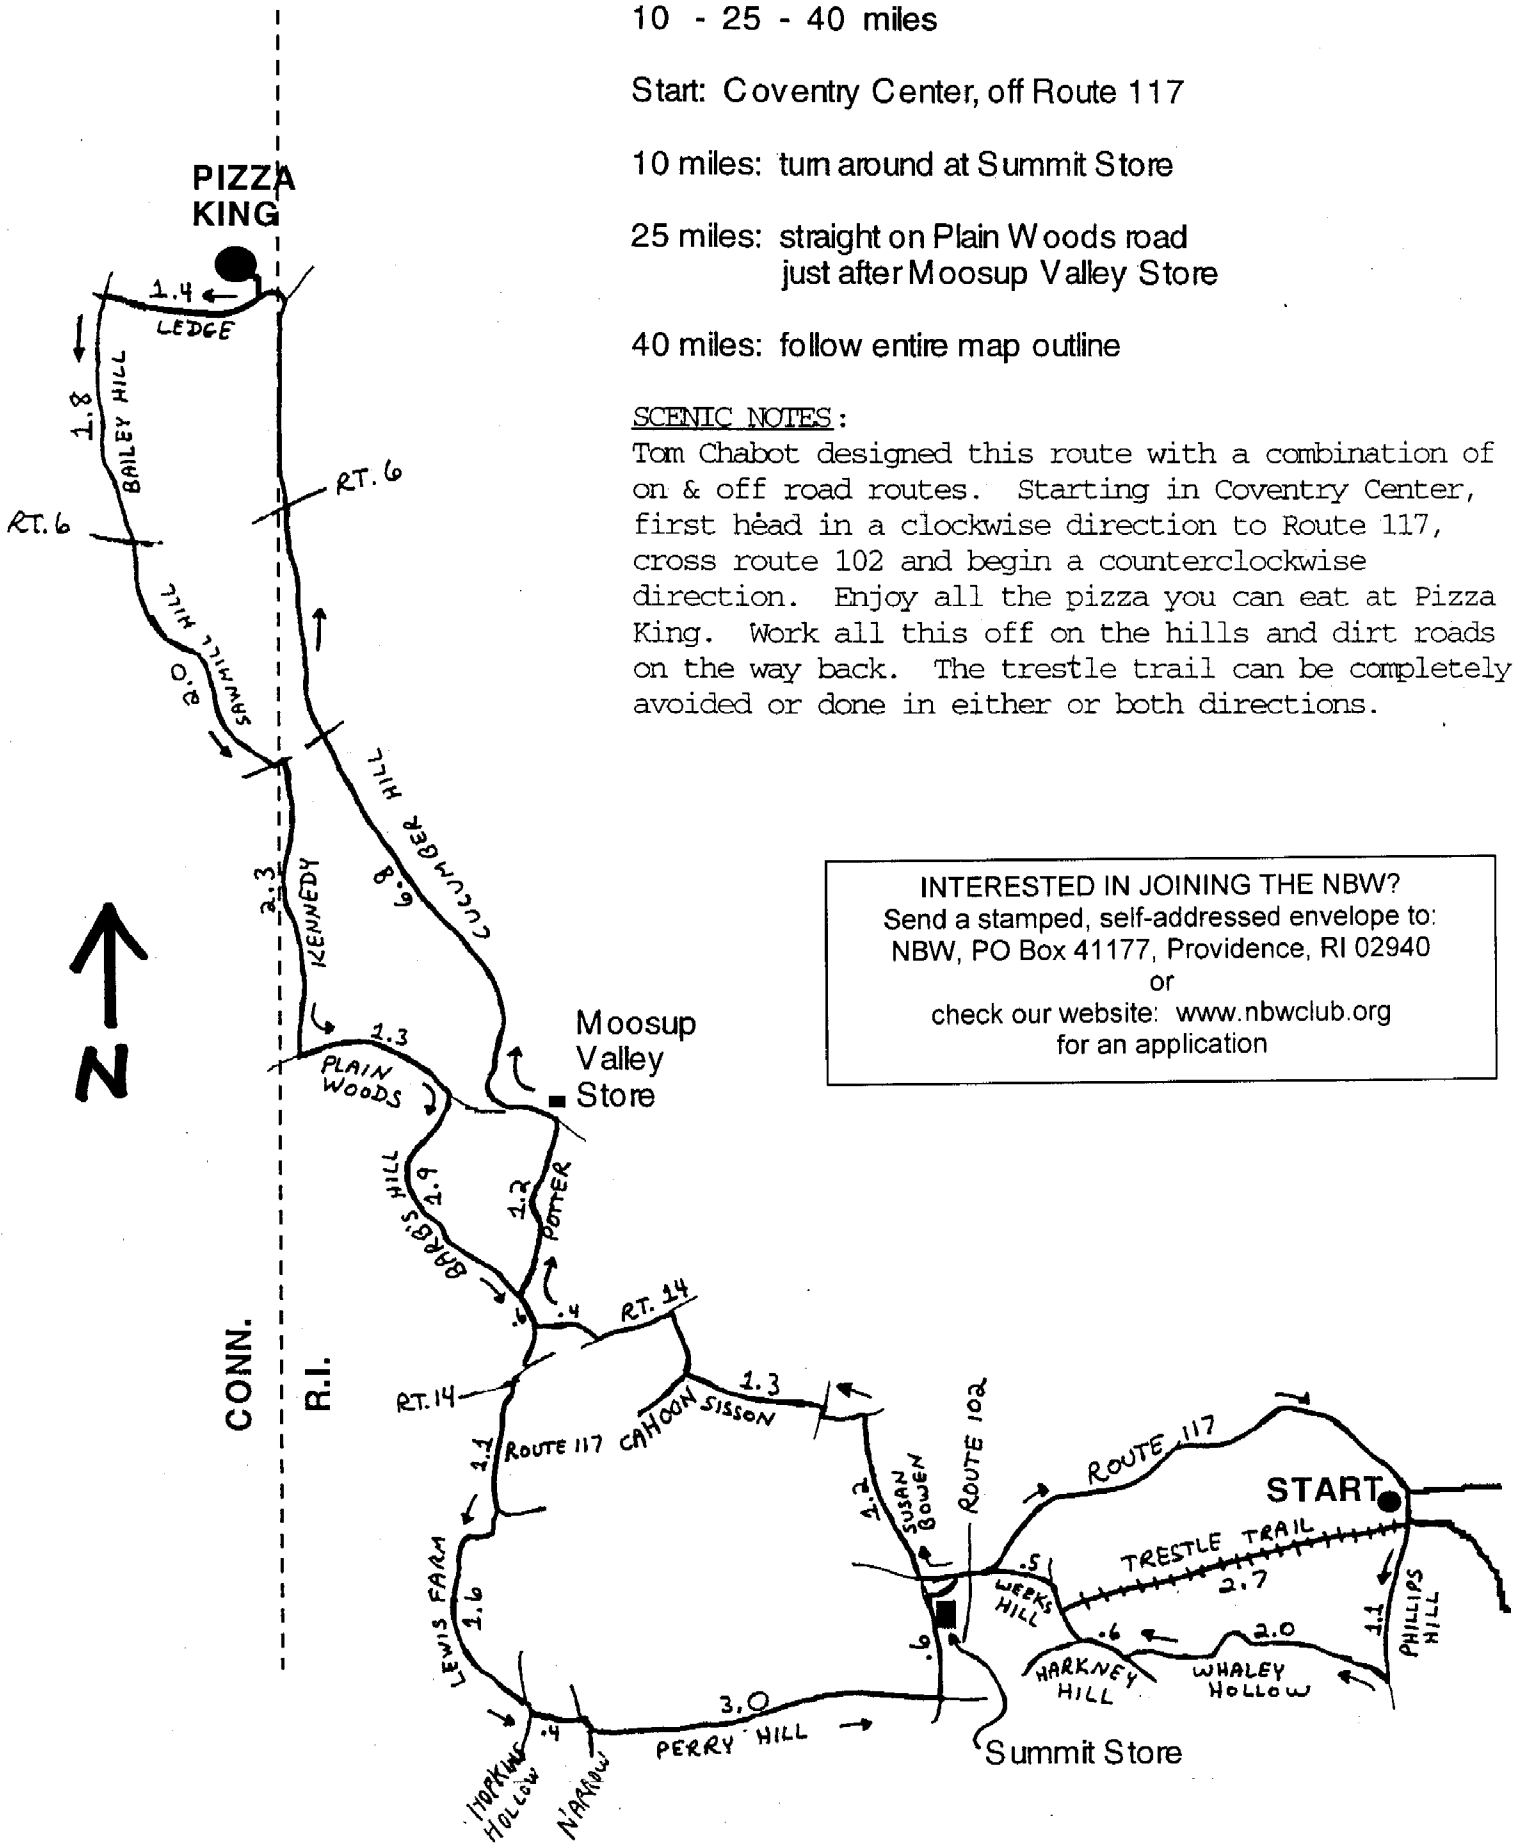

10 miles: turn around at Summit Store

25 miles: straight on Plain Woods road just after Moosup Valley Store

40 miles: follow entire map outline

SCENIC NOTES:

Tom Chabot designed this route with a combination of on & off road routes. Starting in Coventry Center, first head in a clockwise direction to Route 117, cross route 102 and begin a counterclockwise direction. Enjoy all the pizza you can eat at Pizza King. Work all this off on the hills and dirt roads on the way back. The trestle trail can be completely avoided or done in either or both directions.
