Scenic Notes:

The best time for this ride is during the apple blossom season in May, or the harvest season in October. Greenville has a very graceful stone church. Keep an eye out for the elusive land shark of Greenville, last spotted on Mapleville Rd in Greenville. Fast descents along Snake Hill, Chestnut Oak & Absolona bring you into the towns of Glocester and Chepachet. Chepachet is home of the July 4th "Ancients & Horribles" parade. The long ride travels on the back roads of Pascoag, Wallum Lake, Douglas and Harrisville.
