### Scenic Notes:

This new ride was designed by Tina Hopkins. Short center loops rural Richmond. Extra loops can be skipped or taken to extend ride into 1) Hopkinton, 2) Perryville, and 3) Hillsdale, whose return along Rt. 3 is one of RI's best downhills. If you're looking for a challenge, take the 4) HERO LOOP up and over Mt. Tom.

All routes lead through Shannock, an old mill town with quaint homes, millpond, waterfall and remains of a Victorian era railroad station.

Helmets are required to prevent serious head injuries.
